There has been a raise in the price of favo chips, but Democratic candidates are not supposed to kick.

That they have done this thoroughly, acceptably and successfully, the public and the press, everywhere the Robinson show has exhibited this season, unani-mously attest. The great biblical specin its powerful scenographic effects, in its accurate and realistic personations, and the sumptuous lavishness attending its representations, is pronounced with universal accord to Import be not only a triumph of art, but a revelation in the history of the past

that has never had a precedent The citizens of Tucson will have an opportunity of seeing this grand spectacle in connection with the manifold other wonders of the John Robinson show on Oct. 4th on the Military plaza

Cholera infantum has ost its terrors since the introduction of Chamberlain's Colic, Cholera and Diarrhoea Remedy. When that remesly is used and the treatment as directed with each bottle Bitters controls all three beneficently is followed, a care is certain. Mr. A. W. Walters, a prominent merchant at Waltensburg, Iil., says: "It cured my baby boy of cholera infantum after several other remedies had failed. The child was so low that he seemed almost beyond the aid of human hands or reach of any medicine. For sale by F. Fleishman & Co.

From the Desert. Yuma Sentinel.

We left the Aigodones, on the 7th for trip down thr Carter river towards Salton and across the desert, examin-ing the supply of water and grass for stock on the American side of the line. The party consisted of N. A. Gilman, W. McC. Labron and myself. On the 8th at the point where Carter River crosses

the line, we saw a grand conflict among the elements, wind, water, rain and sand. The storm arose away to the west, across the great valley, and next to the main range of mountains, 75 miles distant. The storm was grand. Considerable rain fell. We followed the river down to the first grand falls can spur, a monster, which must have been made more than a hundred years 5 p. m. The officers selected are Col. Seven Wells, we picked up a horseshoe that had never been used. It has the Mapes, Inspector and P. R. Doyle and form of these made for race horses.

Still further on we nicked up an eld Still further on we picked up an old horseshoe, worn out, made at the time when it was the custom to make the large square nail hole, more than twice the size of those made at the present time. This shoe might have belonged It Pays to Read the Papers, to the Pegleg party, as he crossed here

The water is still running from the Diegueno's rancheria three miles east of Cooks wells to a point 21 miles north of the boundary line, on American soil, be vond Alamo Mucho. This must come from the seepage, or from an underflow, from the Colorado river, as there is no visible flow of water from it on the sur face. In the 100 miles that we traveled down the Carter river we found pastur age and water in great abundance. The water is in the bed of the river, in great holes in the hard clay and marl fram Jose Lewis a Papago Indian who To some of these water holes, we could for the past several years has been at find no bottom. The river had cut out tending at the Fisk Institute at Albu-great channels, the banks in places be ing from 50 to 60 feet high. The grand he visited Tucson. He is a bright and this channel when the Colorado is from 18 to 25 feet at the Yuma railroad bridge can all be stored in the basins and old lakes which are found all along the course of the bed of the river and this great area of excellent farming land in San Diego county can be made one of the best sections of the state of California. The soil, climate and water are here. All that is necessary is to husband and distribute the water over the surface of the soil. Irrigation will do the grand work and make the so called desert another riverside. In the whole 50,000 head of cattle for a year or more. graph. We returned last evening after a very

Mrs. Million's Ride.

When Mrs. Million goes to ride she travels forth in state. The Commissioner of Indian affairs Her horses, full of fire and pride, go prancing from the gate. But all the beauties of the day she views with languid eye, Her flesh in weakness wastes away, her

voice is but a sigh. For Mrs. Million is in an advanced stage of catarrh, and all the luxuries that wealth can buy fail to give her comfort. She envies her rosy waiting naid, and would give all her riches for that young woman's pure breath and blooming health. Now, if some true and disinterested friend would advise Mrs. Million of the wonderful merits of Dr. Sage's Catarrh Remedy, she would learn that her case is not past help \$500 reward is offered by the manufacturers for a case of catarih in the need which they cannot cure.

Tucson Art Appreciated. Miss Matilda Martin, daughter of Dr

Martin of this city, and who is a schola of St Josephs academy and received the gold medal for painting, has sold two beautiful oil paintings representing moonlight scenes in southern France and a screen painting for \$250. Mr. A were held in the Methodist Redwill the well known plane tuner and salesman, was the purchaser and he states that it is wonderful what rare mbled with good music, this being talent these young lady scholars of the return of the pastor and the first St. Joseph's academy display even at services held since the summer months the tender age of 16 years and younger.

depot keeps postage stamps for sale all who desire to purchase can be accommodated at his store. Junge E. M. Sanford of Yutus, ha been in the city for the past two days

upon business. The judge is one of the

most enterprising citizens of Arizona and has invested largely in the vicinity Mo., Meteor, west to a drug store at Hillsdale, Iowa, and asked the physician of Yuma. The Odd Fellows have received an elaborate and handsomely designed desk furnished by L. Zeckendorf & Co., the desk bears the following in fine gilt let-

ters: Pima Lodge, No. 3, I. O. O. F. The Masonic order of Tucson who have occupied the large hall on the 2nd floor of the Cosmopolitan hotel building are about to move into their new hall in

L. Zeckendorf & Co., have just re-ceived an advance shipment of carpets comprising 1 dozen different patterns in ngrains and 4 patterns in The designs are very pretty. Mr. Sam Finley who formerly lived

n Tueson but who lately has been

resident of Salt river valley is at pres eat in Tucson and is likely to cast hi lot in Pima county hereafter. L. Zeckendorf & Co., have an extenive supply of new arrivals of wall paper. These designs are very neat and pretty and the prices are very cheap and they

should be seen. Call at the corner of Pennington and Main street. The building occupied by the post of fice in the past is now rented to J. W. Canning for his harness and saddlery department. A large door is now being made in the Main street entrance of the building so that buggies and car-

riages can be properly stored. The doors of the building occupied by icente Lavorin as a business stand on Messilla and Meyer street were thrown open today and the goods were being isposed of at private sale. Notices to that effect being posted through the

175 new books have just been added to the city library under the charge of Miss Pomeroy. The books are an exsellent selection comprising a high standard of romance, fiction, and largely composed of historical works of rare exsellence. Miss Pomeroy under whose supervision this library rests has made t a most popular educational resort where one can with pleasure select from the greatest writers of the past and the

Duncan Clark's combination of female minstrels are to appear in Tucson dur-ing the early part of October an exchange says "the ladies are fair of fea-tures and form, and the specialities all good. The six French high kickers wer all champions and made a pleasing spectacle. M'lle Celias, who has a re-cord of 8 feet 10 inches, kicks with ease and grace seldom equalled. The tableux grand marches and farces were interest ting features and Duncan Clark's Min strel's are always sure of a good house

Postmaster Foster of Lubec, Me writes that after the Grip, Hood's Sarsaparrilla brought him out of a feeble, nervous condition, into strength and health.

Hood's Pill's have won high praise for their prompt and efficient yet easy ac-

Board of Trade Tonight. There will be a meeting of the Board

of Trade tonight at their rooms on Congress street. There will be matters of importance come up before the Board and it would be well that a good attendance be present. The electric light will be a prominent feature discussed and may be matters can be got into family to escort one member of it to Lake George, Bar Harbor or Newport. Relatives may have other plans, friends shape that will be a credit to Tucson's are perhaps not exactly such guardians onward march of improvement. as she would be willing to trust her

Notice to Catttlemen. The following telegram was received yesterday by Agent Burkhalter of the S. P. R. R. in this city and will prove of interest to eattlemen in Pima county

and throughout the territory.
San Francisco, Sept. 24. C. M BURKHALTER, Tucson: - We are now disposed to make extremely low rates upon starving cattle in train loads to points in California and Nevada ad-
